

STATEMENT OF RoHS COMPLIANCE

Euroquartz are working to the new 2015/863/EU directive which manufacturers and suppliers are advised must have implemented by June 2019.

DECLARATION

Euroquartz hereby certify that products supplied are fully compliant with the current RoHS directive 2015/863/EU, unless specifically requested otherwise for Military and Aerospace applications.

Euroquartz are committed to a proactive policy of continuous review to ensure product compliance is maintained, this is done with close co-operation with the approved supply chain and this forms part of our strict terms of supply for all suppliers.

Signed (for and on behalf of Euroquartz Ltd)

Quality Manager
